Morpeth's Elf Door Trail

The elves have moved to Morpeth... and they need your help!

Santa's elves have fallen in love with Morpeth! They love our beautiful town so much that they've decided to make it their home for Christmas.

They've been busy moving into shops and businesses all across the town centre, building tiny magical homes and getting ready for the festive season.

Each elf has left a special letter outside their little front door. When you collect all the letters, they'll reveal a magical Christmas message!

But these cheeky little elves have a secret to share!

Can you find all the elf homes and crack the secret code?
